

### **AMENDMENTS TO THE SPECIFICATION**

Pursuant to 37 C.F.R. § 1.125(b), Applicant respectfully requests that the Substitute Specification filed herewith be entered in the above-referenced application. As required, Applicant is filing a clean copy of the Substitute Specification and a marked-up copy showing the matter being added to and the matter being deleted from the Specification of record (i.e., to or from the verified English translation of the present application that is also filed herewith). As required, Applicant respectfully submits that the Substitute Specification contains no new matter.

In addition, beginning on a new page, immediately before the claims, please insert the corrected paper copy of the Sequence Listing that is filed herewith and renumber subsequent pages accordingly.
